

*In Our Own Write* is a project run by **same-sex attracted youth, for youth.** The project aims to develop a **book** about **what it's like** to be a young gay, lesbian, bisexual or transgender young person in **Canberra in 2006.**

We're publishing a book because:

- ★ it's great to get **your name in print**
- ★ it can be used to **support other people** going through the same issues
- ★ it can be used to **educate the wider Canberra community**

We need your help! We need same-sex attracted young people (under 26) to help with:

- ★ **advertising the project**
- ★ making **decisions** about how we spend our money
- ★ **design and graphics work**
- ★ **writing stories!**

Supported by the ACT Government through ACT Health Promotion Grants. A project of the AIDS Action Council.

**“I don’t want to write anything—can I still be involved?”**

Of course! There’s lots of other things you can help do. Don’t have much time? Contribute **as much or as little** to the project as you like.

**“Where is this book going to be available?”**

That will be up to the participants of the project. It will probably be available in schools and community centres, and possibly bookshops. Also, the whole thing will be available online at [qnet.org.au](http://qnet.org.au).

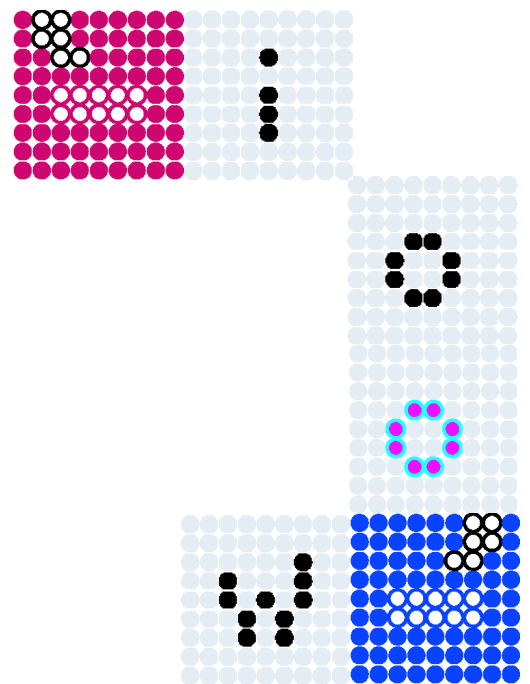

**“Will it cost anything to be involved?”**  
It’s free to be involved.
